SOUTHERN CALIFORNIA, U.S.A.

Dear Customer:  
May we take this opportunity to thank the thousands of you, for whom we provided wall-to-wall carpet installations in 1960, for a highly successful year. To you, and to our future customers, we'd like to explain your advantages in doing business with us. Carpet Town specializes in wall-to-wall carpeting only and we average almost 1,000 such installations monthly. Because of this great volume we have the know-how to give you the best possible values and service.

We carry in stock, at all times, many hundreds of full rolls of carpeting. This means you are always certain of getting the exact quality and color you choose. (If you buy from samples you cannot be sure you will receive the same quality or color you see in the sample.) And we can install immediately.

Through direct radio communication with our trucks and vans we provide our customers with fast, courteous service.

Remember, our large volume means that, at Carpet Town, you purchase the highest quality at the lowest prices anywhere.

Finally, we want you to know that every installation is 100% fully guaranteed. We hope to have the opportunity to serve you in the very near future.

Sincerely,  
Ben M. Berry  
President
